

MEET @ MELODI COFFEE

Between Exposure and Response: The Immunobiology of Ionising Radiation

MELODI is a European Platform dedicated to **low dose radiation risk research** which propose Research & Innovative priorities for Europe in its field of competence.

MEET @ MELODI COFFEE initiative aims at offering scientific presentations on relevant topics. The 1-hour sessions take place at lunch time with a friendly and relaxing format.

Today we are pleased to invite you to attend the 2nd session of the trilogy: *Between Exposure and Response: The Immunobiology of Ionising Radiation, Part II* on **Monday the 16th of March at 12:00 UTC+1**, focusing on the multimodal biomedical imaging laboratory [BioMaps](#), part of the French Alternative Energies and Atomic Energy Commission, [CEA](#) :

- Plenary Session: **PD-L1 targeted radioimmunotherapy and its impact on CD8+ and memory T cells** by **Charles Truillet**
- Flash presentation 1: **Localized PD-L1 radioimmunotherapy guided by imaging** by **Anne-Laure Grindel**
- Flash presentation 2: **Transferrin-based theranostics using a nano-enhanced internal radiotherapy approach** by **Khawla Chmeis**.

Save the date and add it to your calendar !!

Please do not hesitate to join the mailing list to be informed of upcoming events and initiatives organised by MELODI and related by sending an email at secretariat.melodi@cea.fr

Organizing Committee:

Christophe Badie, Siamak Haghdoost, Katalin Lumniczky, Balázs Madas, Florence Miller
